

STAYING FOCUSED

Surely life is a process of thoughts and decisions.

Trying to do our best is always appropriate.

All attempts to succeed must be directed by a purpose.

Yielding our spirit to the Holy Spirit is paramount,

In order to have Peace and Contentment!

No one else can make our decisions for us.

Goals are conscious choices we all make.

Focusing on Glorifying the Lord Adonai should be our goal.

Only and always trusting in the Lord God to provide.

Choosing to be a Blessing and Help rather than being a pain.

Understanding that selfishness is a downward spiral.

Serving with a sense of Anticipation and Excitement.

Enjoying opportunities with Happiness and Thanksgiving.

Devoted to living with Humility, Justice, and Mercy as our guide.
