

## UPRIGHTNESS OF HEART

**U**prightness of heart is something God takes pleasure in.

**P**leasing God, our Infinite Creator, is an awesome thought for a finite person!

**R**ighteous living requires discipline and self-control that only we can give.

**I**ncredibly is the possibility that we humans can achieve such splendor.

**G**rasping the power and wonder that is ours to embody,

**H**umbles us when wrapped in Grace, endowing us with a spirit of integrity.

**T**eaching us that God can do miracles with a dedicated heart.

**N**othing that we can do can earn holiness,

**E**arnestness of the heart when coupled with faith in God is the best recipe.

**S**ingleness of mind in loving and fearing God with all of our being,

**S**upplies us with the motivation needed to bring Him pleasure.

**O**ffering ourselves to God is the first step toward

**F**aithfully seeking the Lord's Presence in our daily walk.

**H**earts that long to live righteously

**E**agerly wait upon the Lord for guidance.

**A**lways open for continuous improvement,

**R**enewing our commitment of faithfulness daily to God,

**T**ranslates into righteous thoughts, words and deeds.
