

## Living In The Zone

**L**iving in the zone requires our complete daily focus on God,  
**I**nvolving all of our being, loving God, with body, soul and spirit.  
**V**ictory is assured through faith in God, waiting upon Him and His Word,  
**I**n awe and fear of God, we walk humbly with Him, seeking His presence.  
**N**earness to the living God through prayer uplifts, renews and guides us,  
**G**ranting us strength to be all that we can be, especially during adversity.

**I**nsights about how God has promised to help and keep and bless us,  
**N**ever are materialized if our faith is weak and our expectations are small.

**T**o be successful, we must trust and obey,  
**H**eeding God's Word all along the way.  
**E**agerly awaiting God's Blessings anew each day.

**Z**ones of excellence surround each one of us,  
**O**nly to be released as we live by faith and don't go astray.  
**N**o power in Heaven or Earth can derail us,  
**E**xcept ourselves, when we choose to go our own way.
